

International Symposium on

Advances in Chemistry, Polymer Science, and Biomedical Materials

September 24-26, 2019

SALIENT FEATURES

- To provide a platform to scientists and engineers, to share and collaborate in multifaceted traits in Chemistry, Polymer Science, and Biomedical Materials.
- ISAC'19 will be the focal point of large numbers of local and foreign participants
- Accepted manuscripts will be published in "*The Nucleus*"

CALL FOR PAPERS

- ➔ Analytical Chemistry
- ➔ Environmental Chemistry
- ➔ Polymer Composites
- ➔ Radiation Processing
- ➔ Biomedical Materials
- ➔ Tissue Engineering
- ➔ Sustained/targeted drug delivery systems
- ➔ Catalysis
- ➔ Solar cells, Fuel Cells, Batteries
- ➔ Membranes Science & Technology
- ➔ Functional Materials and Hybrid
- ➔ Nanoscience & Nanotechnology

SYMPOSIUM FORMAT

- Planery Lectures
- Keynote Talks
- Oral Presentations
- Poster Competition

REGISTRATION FEE

Category	Overseas (USD)	Local (PKR)
Faculty	20	3000
Student*	10	1500
Exhibitor*	100	15000

Important Dates

Abstract Submission

August 30, 2019

Registration

September 06, 2019

Organized by: Department of Chemistry, PIEAS, Nilore 45650, Islamabad, Pakistan
Conference coordinator

For abstract(s) submission & further information :

Dr. Muhammad Shafiq, Sr. Scientist, Department of Chemistry, PIEAS

Email: Shafiq@pieas.edu.pk; muhammad.shafiq917@yahoo.com

TEL: +92-51-220738 Extension: 3648; Cell: +92-333-8711143; +92-345-8711140
